

On-Demand Mobile Visa

We now offer you a service that brings the Visa Application Centre to your doorstep! UK visa applicants can now apply for a visa from a location of their choice, such as a home, office, or school campus. This service is ideal for large groups as the entire group can enroll biometrics and submit their visa applications on the same date and from a location that is convenient for the group. Further, VFS staff will ensure all applications are complete and ready for processing at the British High Commission.
