

UK Visas & Immigration is committed to offering the best possible service and to processing your application as quickly as possible.

The visa team aims to provide services within our established standards for quality and timeliness:

Visa processing (non-settlement)	15 working - day
Visa processing (settlement)	60 working - day

The visa sections across India continue to deliver consistent, high performing and customer focused services.

Customers whose applications are deemed complex will be contacted by UKVI should their application take longer than the established service standards.
