

## APPLICANT DECLARATION

### Priority Visa Service

The Priority Visa Service is an optional service which aims to process applications within 3-5 working days and incurs an additional fee on top of the standard visa fee. The service is available for settlement and non- settlement visa categories, except for those applying for a Commonwealth or Overseas Dependent Territories visa .The service is available at both our Manila and Cebu visa application centres.

### Terms and Conditions

- It is strongly recommended that applicants with any form of adverse immigration and/or criminal history do not use our Priority Visa service. This includes anyone who has previously been refused a visa for the UK, been refused leave to enter the UK, been previously deported, removed or otherwise required to leave the UK, has overstayed a period of leave in the UK, or has been refused leave to remain in the UK by UKVI.
- Using the Priority Visa service does not imply or guarantee that a visa application will be successful as all customers must still meet the requirements of the UK immigration rules.
- The Priority Visa service is not a guaranteed service. We do not guarantee that your application will be processed or that your passport will be returned within the period specified. For that reason, we strongly advise that you do not make travel or any other plans that are contingent upon our compliance with that timescale. Neither the Home Office nor its commercial partners will be responsible for any loss incurred as a consequence of failure to comply with the timescale.
- The Priority Visa service fee, as well as the application fee, is not refundable if your visa application is refused or in exceptional cases, takes longer than 3-5 working days to process.

I confirm that I have read, understood and agree to the Terms and Conditions of UKVI's Priority Visa Service
