

Super Priority Visa Service Thailand

The **Super Priority Visa Service** is an Added Value Service which allows customers to receive a decision within 24 hours.

The service costs is pay able in addition to the visa fee and is available to eligible customers applying at the UK Visa Application Centre in Bangkok.

Eligibility

Customers and their dependants applying in one of the following immigration routes are eligible to use this service:

- **Visitors** – all types
- **Points Based System Tier 2 and Tier 5** – customers who have authority to be living in Thailand
- **Points Based System Tier 5 (Temporary worker – Creative and Sporting)** – customers who are currently in Thailand for a similar purpose to the activity proposed to be undertaken in the UK.

Application Process

Customers must apply and pay their visa fee online. If you meet the eligibility criteria and wish to use the SPV service you should book a Super Priority Visa Service appointment. You should then pay the Super Priority Visa Fee online via the payment portal on the VFS visa application centre website: www.vfsglobal.co.uk/thailand. Please [click here](#) to pay the SPVS fee.

Once submitted, a decision on your application will be ready for collection within 24 hours.

Providing you have an appointment before 10.30am, you can also upgrade and pay to use the Super Priority Visa service at the visa application centre.

Customers with an adverse immigration history **should not use this service**. Using the Super Priority Visa Service does not imply or guarantee that your visa application will be successful. All applicants must meet the requirements of the UK Immigration Rules. For further information please visit www.vfsglobal.co.uk/thailand. Alternatively, you may contact the International Enquiry Service.
