

Silver premium service package

Save money by including all our most popular services

The silver premium service package includes:

SMS Service

Get updates on the progress of your UK visa application via SMS.

Certification Service

Certification allows you to, hold on to your original documents. You need to bring your original documentation to show to our staff along with coloured photocopy of the documents. A coloured photocopy is endorsed and sent to the decision hub along with the application.

“Tier 2, 4 and 5 applicants are required to submit originals of documents as specified under the Immigration rules and customers to note that should British High Commission require, you may be contacted to present the original document”

Application and Document Check

VFS staff will check your completed application before it is sent to UK Visas and Immigration (UKVI) for processing. If there are missing documents, you will have the option to submit these by email after your appointment, within 7 working days.

Also included free of charges, we will help with preparing, sorting and arranging supporting documents to make it easy to scan your documents.

Walk in without an appointment

Come to the visa application centre at a time that suits you. This is suitable if you need to travel urgently or cannot book an appointment for your preferred date or time.
